District Office

Open Position

Weld Re-9 School District

The Weld Re-9 School District headquartered in Ault, Colorado has a position open in the maintenance department.

Responsibilities: The primary responsibilities with this position are listed below.

- Maintain and repair equipment associated with district buildings
- Prefer some basic knowledge of electricity, plumbing and HVAC
- Shipping and receiving
- Small equipment operation (bobcat, mowers, lift, etc...)

Requirements: experience preferred but not required.

Salary and Benefits: Minimum salary is \$16.25 per hour with possible increases depending on experience and education. The district provides a single medical insurance plan valued at \$635 per month or a \$125 cash refund if you choose not to participate. Vision and dental insurance is optional. Life insurance and critical illness coverage is provided. Two weeks of paid vacation is provided. Additionally, you will receive 10 paid holidays, twelve sick leave and three personal leave days.

Application: Applications can be completed through the district website at www.weldre9.k12.co.us. Be sure to complete the classified application and include three letters of reference. If you have questions, please contact the Weld Re-9 administration office. Applications will be accepted until March 15, 2019.
