Once upon tomorrow... Plans for high school and beyond.

Write a one page paper detailing your plans for high school and your life beyond Highland. Try to explain specifically how you plan to reach your goals. Write at least five, well-written paragraphs, including an introduction, body, and conclusion. Some things to consider:
  ● How are you ready (or not ready) for high school?
  ● What will you change about yourself as a person/friend/student?
  ● What do you plan to get involved in?
  ● Describe yourself in 1, 5, 10, and 20 years.
